

Amendment No.1

DVR ELIGIBILITY AND ORDER OF SELECTION ASSESSMENT SERVICES

A G R E E M E N T

This Amendment is made by the Department of Workforce Development (DWD), on behalf of the Division of Vocational Rehabilitation (DVR), and the Board of Regents of the University of Wisconsin System DBA University of Wisconsin-Stout, (UW-Stout) whose principal business address is 712 S Broadway St., Menomonie, WI 54751, parties to the DVR Eligibility and Order of Selection Assessment Services Agreement fully executed on June 16, 2021 (hereafter the "Agreement").

The parties agree to amend the Agreement as follows:

1. The following has been added to **Section 2 EOS Unit Roles and Responsibilities**:

UW-Stout shall conduct Eligibility/OOS assessments through remote options such as telephone or video conference. Meeting platform will be based on the applicant's preference. Closed captioning will be offered to hard of hearing applicants and applicants with video capability.

2. The following has been added to **Section 5 Cost and Payment of Services**:

UW-Stout shall secure translation and/or interpretation services for applicants who request such services at no additional cost to DVR. The appropriate mode of communication shall be consistent with the informed choice of the applicant and enable the applicant to comprehend and respond to information communicated by UW-Stout.

UW-Stout shall ensure all applicants are made aware of the availability of licensed and qualified ASL interpreters and foreign language interpreters in order for the applicant to engage in services in their primary mode of communication.

UW-Stout will accommodate an applicant's request to use family, friends, or trusted community members when that is their stated preference or when such an accommodation may expedite the application process as requested by the applicant as an exercise of their informed choice.

All matters set forth in the original Agreement and not affected by this Amendment shall remain in full force and effect.

 **Mr. Erik Guenard**
